WHO ARE WE?

01

Founded in Spain in 1994, Onok Lighting is one of the leading companies specialized in the design, manufacturing, and distribution of technical lighting for both indoor and outdoor use, serving both the domestic and international markets.

Around the world

02

GLOBAL PRESENCE

We have a strategically distributed sales network that allows us to be present in more than 54 countries through agents and distributors, mainly across Europe, the Middle East, South America, and North Africa.

Local production

MADE IN SPAIN

Our production facility in Xàtiva (Valencia, Spain) is responsible for the manufacturing and supply of our products. This enables us to adapt our solutions to different projects, offering high-quality, tailor-made manufacturing.

Onok Lab (R&D)

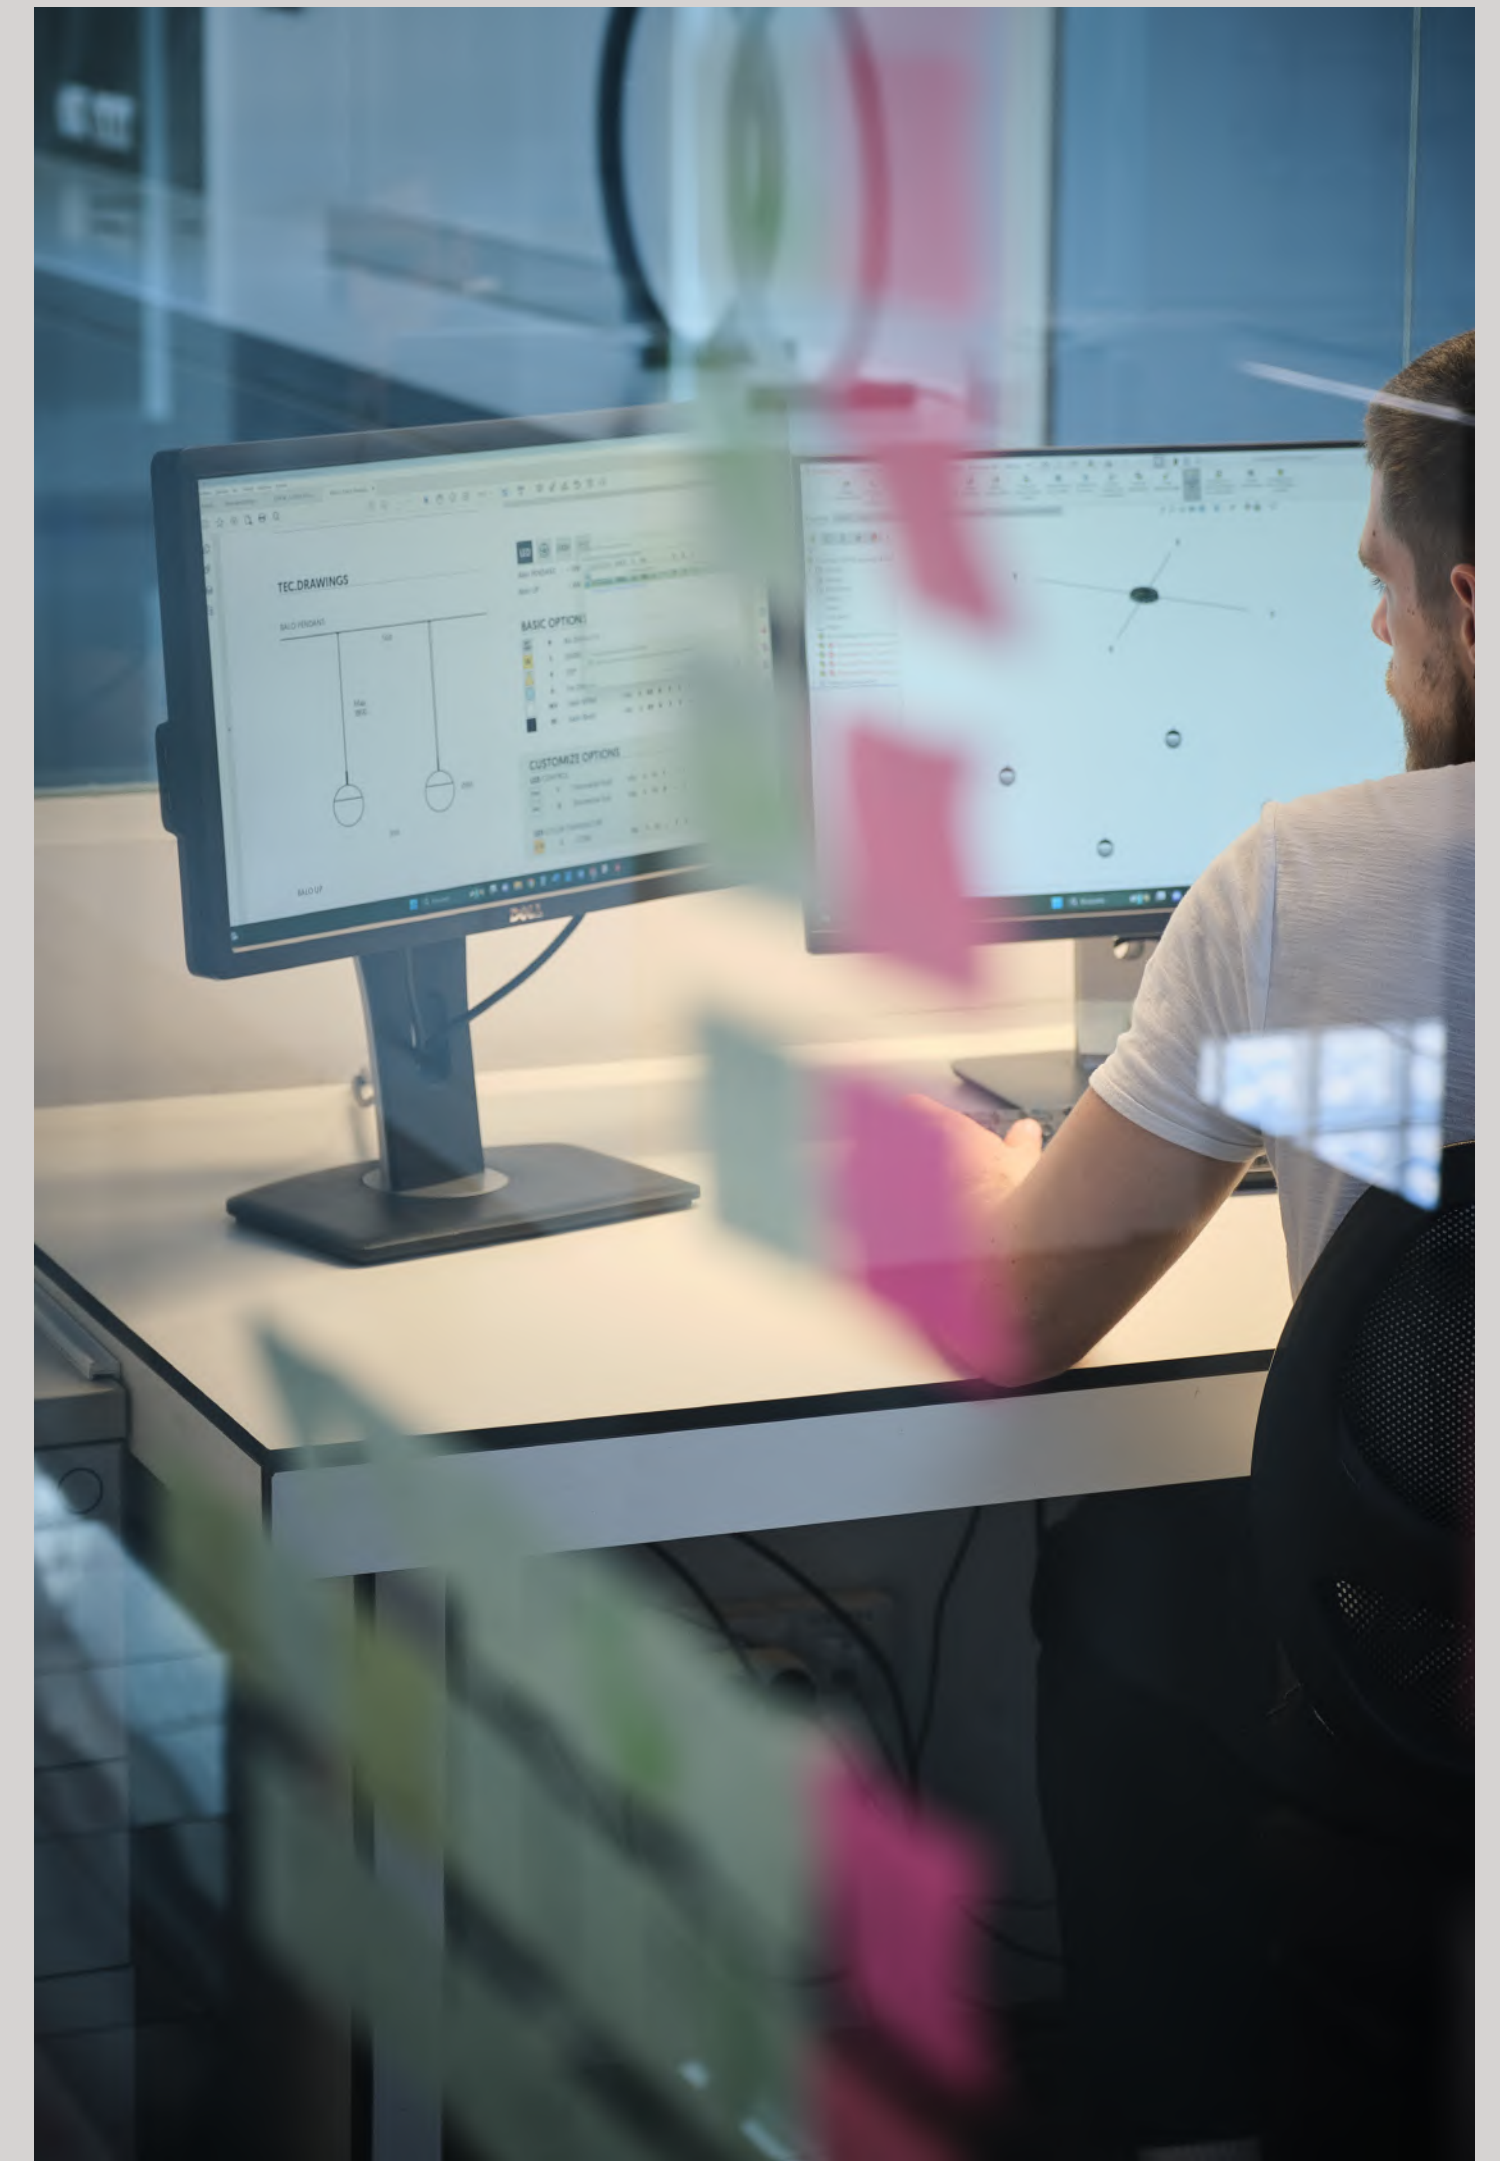

04

ONOK LAB

At Onok Lighting, we have our own R&D&I department, Onok Lab, which designs products incorporating the latest innovations and aligned with current market trends.

We also offer a wide range of high-quality, fully customized products, tailored to the specific needs of each project.

Committed to quality

05

HIGHT QUALITY

To ensure the highest standards in our products, we use premium components sourced from leading manufacturers worldwide and collaborate with various laboratories, institutes, and universities in the development of our new designs. As a result, we obtain both ISO 9000 and ISO 14000 certifications each year.

All our products are certified by Sering, an ENAC-accredited laboratory.
