

TINY 48V SYS- TEM

TINY 48V

onoklighting.com/visualizador-tiny-48v

Tiny 48V by Onok, our smallest profile with 48V power supply and luminaires of reduced dimensions. Designed to focus, highlight and create unique atmospheree within a room. The special dimensions of the entire family make the light take centre stage in the space.

Tiny 48V by Onok in its different combinations, such as Tube 48V, Micro Line or fixed and adjustable projector, together with its minimalist design, allows to highlight elements of the space, give them prominence, and create unique atmospheres.

Tiny 48V de Onok, nuestro perfil más pequeño con alimentación a 48V y luminarias de reducidas dimensiones. Diseñado para focalizar, resaltar y crear ambientes únicos dentro de una estancia. Las dimensiones especiales de la familia al completo hacen que la luz adquiera el protagonismo en el espacio.

Tiny 48V de Onok en sus distintas combinaciones, como Tube 48V, Micro Line o proyectores fijos y orientables permite, junto con su diseño minimalista, destacar elementos del espacio, conferirles protagonismo y crear ambientes únicos.
